Welcome to our new President!

Sid Slatter is looking forward to our another great year. There are events and projects being planned and so many that are already underway! With his fun loving attitude and great leadership skills we are certainly up for a memorable year. The Rotary theme this year is **Rotary Serving Humanity**. So don't duck and cover or camouflage yourself. Join in on the fun and service!!

Jim's debunking a hit!

Well Jim was given a smashing send off with a variety of clever vignettes and performances. The event was energetically MC'd by the bashful Jim Zenner. Jim W watched while his life was served up for all to see with no ability to defend himself!

One of the gems was a poem artfully written by Blaine Brokaw. Unable to be present Blaine somehow sent his spirit through in the form of Erik Dybdahl.

Sid reminded us that Jim earned a lot of money at this Magic of Rotary, Fundraiser but alas...nice try Jim...

Donna lamented that Jim stole the beach crew to staff his River Project. Bob Bosso revealed that Jim is a mad puzzler and a Mayor's Proclamation formally announced Jim's foibles.

I had the pleasure of expressing through song how a Pennsylvania boy turned tough guy makes good in a rendition of "You Don't Mess Around With Jim." The boys in

the band, Mike Harrison, Tom Foster and Dave Dreyfus rocked the house. There were several other presentations including Richard Beach's oral and pictorial history of Jim's undoing and Larry's Fogelquist's reminiscences of the "parklet" project. After all was said and done, it was communicated clearly communicated that

The event closed with a photo montage set to Tom Petty's learning fly, expertly compiled by Ian Mackenzie. There were a lot of wonderful memories of a great club headed up by a gracious leader. What's not to love about the Santa Cruz Rotary Club. Rah Rah!

Thanks to the debunking committee for putting on such a fun and well managed show. Perhaps we can circulated the poem, proclamation and the "lyrics" to the song since they are both too lengthy for this publication.

San Lorenzo River Project

A group of Santa Cruz Rotarians went out to the River on June 25th and did some excellent work on our adopted "parklet" along the San Lorenzo River. Go by and check it out. It is located right at the bridge near the CVS. Thank you to Larry Fogelquist for seeing that to the actual planting. It was a very gratifying project for me. It was a warm day but we had a group of troopers out beautifying the river. More on this project and group later.

This is your chance to help!!

As a director for 2014-2016 I had many people express an interest to help the club. Since we are getting the new Rotary quarter and year started there are many opportunities. We need volunteers to do the club drawing, detective reports and invocations. These are some of the many things that add to our clubs flavor and promote the fellowship that is so important for maintaining our club health and keeping Rotary fun and relevant. There are also many other events and projects you might not be aware of that need participants. We have the British themed fundraiser, social events to host and support, "parklet" maintenance and other opportunities. Talk to me or any of the representatives listed on the back of the spokes and we will be happy to help you with ideas on how to enhance your Rotary experience!!!

Welcome Incoming Thanks Outgoing!!
