Todays Program

Great American Total Eclipse, August 21, 2017

Today we will hear from our resident expert, Al Smith, on all things in the sky (and beyond)!! In August 21, 2017 we will be experiencing a Solar Eclipse. Al will be telling us where some of the best viewing locations will be and some of the other cool facts related to the amazing Solar Eclipse. You might ask him about his latest gig-Bond, James Bond.

Another Awesome Meeting-7/15/16

I was once again reminded of what a great group of people we have in our club!

Kindness

Jill Stone reminded us in her invocation that kindness is never wasted, quoting such greats as the Dalai Lama and Aesop. Thanks Jill.

Tom Foster in a Nutshell or Seashell

Tom gave us a rusty badge speech. Sid suggested perhaps it is a more of a patina than a rust. Considering Bob Rudolph is celebrating his 58th year in the club perhaps the rust bar has been set pretty high. Regardless, remember, rust never sleeps. Anyway, Tom, thanks for sharing and happy shell hunting.

Luck Follows Richard Beach

For the second week in a row Richard Beach won the Club Drawing...coincidence? He shared the wealth and passed his winnings off to Peter Heumer!! The four way test in action.

Surf’s Up for Jane

Jane McKenzie gave a heartfelt talk about the role of surfing in her life. She did a beautiful job expressing the physical, emotional and spiritual connections that can be made through surfing. Her stories about how she has

incorporated surfing into her life and her family’s life were inspiring and touching. Obviously the love and support of her mother has contributed to her becoming the genuinely remarkable woman that she is today. Look who that 8 year old girl in Hawaii has become.

Honoring our Veterans

One of President Sid’s goals for Rotary this year is to become more involved with veterans and take opportunities to honor them. To that end, the flag that is being displayed in the front of the room has a special history. As per the certificate:

*the accompanying flag was flown over 4th
ABCT, ID Headquarters
FOB Salerno, Afghanistan
Operation Enduring Freedom
In honor of
Matthew G Axelson, USN SEAL,
By
Major Jeremy Riegel
On the 4th of July, 2012*

Matthew was killed in operation Red Wings, which was the incident described in the book and movie, The Lone Survivor. Displaying this flag is one way we can recognize the sacrifice that so many Americans and their families make every day on behalf of our country.

The District Governor is coming!

On August 5 District Governor Jeff Orth is visiting our club. We always like to show plenty of support when our District Governor comes so please do your best to attend. He will have the opportunity to see that Santa Cruz Rotary Club is alive and well. President Slatter will give more details regarding the District Governor’s wife’s project.

The Directory is out

You should have received the email with the club directory (The Slatter’s Reign) from Club Secretary Ian Mackenzie by now. I like to go through mine and see who I have missed lately. If you find someone you haven’t seen in a while, give them a call. It is always nice to do a welfare check and remind them that we miss seeing them. Fellowship is good for the soul!! Mahlon Foote just recently announced he doesn’t dare not come to a meeting since he sees Elizabeth Clifton and she reminds him regularly!! Good going Elizabeth!!

Club BBQ

Put the Club BBQ in your calendar for Oct 14th at the Boardwalk. It is going to be very special-something that will interest your family and friends so stay tuned for details.

The next Board meeting is on August

10, 2016 at 5:30 and will be hosted by Linda and John Burroughs at their home at 1034 Laurent Street. Come join the fun and see what our club is planning for the upcoming year!!
