Todays Program

Feeding Dreams, Cambodia

Today Past District Governor Joe Hamilton and Scotts Valley Rotary Club President Rosanna Herrera will be talking to us about Feeding Dreams, Cambodia. This is a grass roots community school in the slums of Siem Reap, Cambodia. It provides free education, school meals and community support for over 800 children and their families.

Invocation - Ross Condit

Detective - Galaham Zuanich

Onward!

President Sid welcomed us to the 8th meeting in the Reign of Slatter. Jane McKenzie helped us sharpen our etiquette skills in her detective report. I think everyone used their utensils and said please and thank you a little more after the presentation. Janet Krassow reported via Happy Dollars that Dan Aldrich made good on his promise to produce a gift certificate to Olita's!!

Desalination Project

Fellow Santa Cruz Rotarian and spokesperson for Deep Water Desal, Kim Adamson, gave a presentation about a Monterey Bay Regional Water Project. In the search for new fresh water sources and solutions that can replenish our groundwater basins, Deep Water Desal is exploring the possibility of building a seawater reverse osmosis (SWRO) desalination facility in Moss Landing that would use seawater from the cooler waters of the Monterey Submarine Canyon. They are also proposing to co-locate a 150-megawatt data center campus that would be cooled by the seawater prior to desalination. The project is intended to make a new supply of potable water available north to Santa Cruz, east to Salinas and south to the Monterey Peninsula. Kim reported the Environmental Impact Report and the Environmental Impact Statement should be done in mid 2017. They hope

to complete the public response and permitting processes to allow construction to start in 2018.

Club BBQ:

This is a great opportunity to spend time and share an experience that is unique to Santa Cruz. October 14 is the club BBQ. This year several of the rides and open area in the lower section of the boardwalk will be closed off for us to enjoy as a club. So invite your friends and family to enjoy the boardwalk, take advantage of a little Rotary hospitality and see your Rotary buddies!!

Taking Care of Our Own

A major part of being in Rotary is enjoying the friendships that you make and maintain for many years to come. If there is anyone you have not seen in a while give him or her a call. Maybe you don't know them that well? Believe me, we all like to know we are missed and it is a special feeling to know that people even outside of our tight circle care and miss us!!

Rotary Area 7 Mixer: Last Monday, August 29, the President of Scotts Valley Club, Rosanna Herrera, hosted an awesome Area 7 mixer at her restaurant, Bruno's BBQ. First off, we enjoyed all we could eat and drink for \$5.00! We had a lovely time meeting old friends and making new ones. I found out one of my high school swim

coaches is a member of Santa Cruz Sunrise so we were able to reminisce. Most, if not all of the clubs in area 7 were represented. Scotts Valley welcomed their Youth Exchange Student from France and we were introduced to a mover in the Cambodia project that we will meet today at our club. It really was a fun event and a chance to see what some of our local partners in Rotary are up to.

International Conference

The next RI Conference is in Atlanta, Georgia from June 10-14, 2017. See riconvention.org for more information.
