**Todays Program**

***Maestro Daniel Stewart***

Daniel Stewart is the conductor and music director for the Santa Cruz Symphony. His presentation is on the Opera that will be presented this weekend - Rossini's comic masterpiece, Il Barbiere di Siviglia, on the world-class Metropolitan Opera vocal stars joining us, and on the monumental effort involved in organizing and mounting what promises to be a watershed event in the cultural life in Santa Cruz County.

**Programs - Linda Burroughs**

**Invocation - Linda Burroughs**

**Detective - Kim Adamson**

**Raffle:** It was **Bob Ciapponi's** lucky day! He got to look smart because he bought the winning ticket. He also won a Donald Trump mask which just looks good, Halloween candy, and a generous gift card to the back nine. All donated by **Gary's Reece**.

**Announcements:** Board of Directors Meeting: November 9 at 5:30pm. The next meeting of the Board of Directors will be hosted by **Peter Cook** at 214 Jeter Street in Santa Cruz. Directors and guests wishing to attend are requested to contact the Secretary at 345-5182 or email [ian@santacruzrotary.com](mailto:ian@santacruzrotary.com)

The Event “The British Invasion” March 11, 2017.

Tonight, 11/4, the 8th annual Casino night and Texas Hold 'em tournament fundraiser is starting at 7pm sharp at the elks lodge.

It's a November to remember to donate to the foundation. See **John Huffman** about joining the Paul Harris fellowship.

**Rusty Badge: Tom Reese** spoke about his tenure as president. Pretty much nothing happened but he did get to go to Tokyo. They also established the local endowment fund.

**Detective:** The indomitable **Dan Aldrich** gave his detective report on this preview to Halloween meeting. You might think that with a gory holiday around the corner Dan may focus his theme on something scary like surgeries. But alas he did not consult **Larry Wolfsen**. Dan had something far more fearful up his sleeve. He delivered his "The Nothing" themed detective report. Thankfully there were some happy dollars to spare us from this one man wrecking crew. **Larry Wallerstein** offered \$5 for getting a huge truck to transport the huge knife he carries around. When you see Larry limp it's

due to the weight of his knife. So don't worry about his health. **Jim Burroughs**, dressed as a presidential candidate for Halloween, was happy to see Illinois football beat Washington State. Dan shared he was recruited to play football at UC Davis. He then fined **Jim Courtright** for also playing college football. Dan managed to fine **Bob Bosso, Michelle Anderson, and Jane McKenzie** for being on the scholarship committee before he got the ax.

**Program:** Eileen Hill from the Cabrillo College Foundation which provides \$3M to \$4M in annual support to Cabrillo College and it's students came to speak. She is the new Executive Director. She discussed all the ways the Foundation helps Cabrillo students and our community, including Cabrillo's Veterans Information Center. They are most proud of their nursing program. The program features a unique solution to a nursing student challenge. Students have difficulty getting enough hours of live experience before getting

their nursing diploma. Cabrillo has a live simulator that counts towards these hours. This way more nurses can hit the work force as we are facing a shortage in that field. Eileen brought Flor Chacon who is the Veterans Information Center Coordinator to discuss the support services provided to help veteran students succeed at Cabrillo College. Cabrillo has 144 veteran students currently enrolled in their programs. Most are majoring in business, computer science, and social science. Veterans are helped adjust to college life by Flor and her team.
