Making A Difference

August 4, 2017

Today's Program

District Governor Orrin Mahoney

Orrin Mahoney is a long time resident of Cupertino, California. He is a graduate from Carnegie-Mellon University in 1967, and received a Master's degree from Stanford. After a 35 year management career at HP, he retired and devoted his time to community activities. He is a former member of the Cupertino City Council, and has served twice as Mayor.

In addition to many other community groups, he is an active member and past president of the Rotary Club of Cupertino. As part of the Club's International Service activities, he has participated in 12 project trips to Mexico, China, India, and Central and South America. He was the recipient of the Polio Plus Award in 2010, Area 8 Assistant Governor in 2014-2015, the District's Membership Committee Chair in 2015-2016 and the District Conference Chair in 2016-2017. His theme for his year as District Governor is Rotary: Building Lifelong Friendships while Making a Difference.

Announcements

Board Meeting: August 9 at 5:30pm. The next meeting of the Board of Directors will be hosted by Linda Burroughs at 1034 Laurent Street, Santa Cruz. Directors and guests wishing to attend are requested to contact the Secretary at 345-5182 or email ian@santacruzrotary.com.

Last Week's Highlights

Invocation: Donna Maurillo provided what I'm sure was a fabulous invocation. I, the editor, was straggling in from selling raffle tickets and missed most of it. What I did hear was "who left the barn door open?" I later asked what this meant and only gathered it had nothing to do with Stoney Brook's email address.

Raffle Winner: In a strange twist of fate Bob Bosso won the weekly drawing with a ticket purchased by Sam Bishop. The two swapped tickets at the check in table. I sure hope Bob documented the transaction in

writing. If not, I know a good attorney!

Detective Report: I'm not entirely sure what Ross Condit did to deserve the barrage of Nerf guns, but he was able to avoid any major injuries and push through his report. The best line from the segment came from Blaine Brokaw who pointed out that a table full of law enforcement and former military personnel were unable to hit their target.

Last Week's Program

Assemblymember Mark Stone joined us to give his perspective on politics in California. Knowing that State Senator Bill Monning had joined us the week before, Mark touched on several different topics.

He spoke about the high speed rail project. Although the project is important to transit in California, there are funding issues with electrifying the system. However, the Trump administration moved forward with a \$650 million grant to electrify CalTrain, an important stretch of the commuter rail system running from San Jose to San Francisco. The CalTrain electrification project is expected to cost \$2 billion.

Some of the other topics included cap-and-trade, affordable housing and healthcare.
