## Save the Date

02/26 – Rotary Social: Jeanette & Tony Pagliaro are showing off their new digs in the heart of Capitola Village. Come one, come all, and see the fine photography featured by the spouse of our President Elect Designate, Jeanette Pagliaro. RSVP to the amazing Jill Stone 586-945-5455 / [jmstone929@gmail.com](mailto:jmstone929@gmail.com) . Can't make this one? Don't worry, Jill is cooking up more events for our members in March and April.

## Last Week's Highlights:

*Invocation:* It was a football themed invocation by yours truly. If you missed it, the big takeaway was “Go 9ers!” And the 9ers delivered! Football highlights will be tabled next week as the Pro-Bowl continues its quest to maintain its status as the worst exhibition is sports.

*Detective:* Jill Stone opened up with a donation of \$100 to Santa Cruz Community Foundation, and she's looking for future Rotary Social hosts! So, her detective report's theme was: What makes a great party? She called on past hosts of Rotary socials to ask. The big takeaways from our former hosts in no particular order were lots of booze, a great theme, some nice weather. Oh, and maybe some Xanax to relieve your anxiety. Because no matter how hard you try, you can't live up to the Burroughs' epic socials. Also, if you're serving hot dogs, the Burroughs' aren't eating 'em!

## Last Week's Highlights (continued)

*Raffle Winner:* Jim Weisenstein was the winner of Bottle of red wine and gift certificate donated by Steven Gray. Steven refused to attend a program by one of his competitors, so Alliah filled in to sell tickets... In other raffle news, just before Jim W. won the prize, Jim Courtright let the winning Jim know he has no chance.

### Last Week's Program – Nanette Mickiewicz, MD, President Dominican Hospital

Dignity Health is now CommonSpirit Health. Catholic Health Initiatives and Dignity Health merged, creating a health care behemoth that has its eyes set on renovating Dominican Hospital.

Dominican hospital built in 1968, where rooms are tired and undersized. An expansion project is underway which will provide: 10 new operating rooms, pre-op and recovery areas, an outpatient lobby and a new ER entrance as well as 60 new rooms. After expansion is complete, renovations will take place at existing rooms.

It was noted by Chris Murphy that anyone living on “Upper Winkle” who is complaining about helicopter noise at the hospital is “beyond reproach.” At that point, Wally Dale and Erik Dybdahl, proud residents of “Upper Winkle”, quickly buried their heads in last week's edition of the spokes.
