Club Christmas Extravaganza

Our last meeting of 2022 included a festive lunch and wonderful entertainment provided by Linda Burroughs and Mary Rose Mackenzie

The music was exceptionally good and the musicians' posture was equally excellent!

This Week's Speaker

Ron Sekkel

Ron Sekkel, District 5170 Governor, 2004-5, sold his successful tax business in 2013. With new time and plenty of energy, he and his wife, Cindy have expanded their involvement in Rotary projects. This has led to several

leadership positions and awards from our district and beyond. Ron's commitment also extends to community, including the Santa Cruz Symphony Board and the Cabrillo College Foundation.

Rotary Magazine

The Rotary magazine contains all kinds of letters, articles, an events calendar, insights into club activities, projects of interest, and general topics of interest. This month's edition includes a couple of very interesting articles. I recommend the article about artificial coral reefs and how their introduction has improved fisheries. Is Rotary involved in this effort?...of course.

Second is a longer article on something found in every culture and society, loneliness. The cure for loneliness can be found in the simple effects of people feeling useful and needed. Being included in a group or connected to other generations has been studied at the university level with positive results. Conversation, laughter and shared experiences are simple and effective medicines in the search for a cure of loneliness, isolation and seclusion. Check out the article.
