Rotary Water Warriors – Jim Zenner and Janet Gluch

We all know the good work of Jim and Janet and many other members of our club who have participated in international service water projects in Guatemala. Today, Jim and Janet are here to report on our most recent installation in Guatemala. The trip included three sites, a pediatric hospital and two villages. In addition the group provided three eyeglass clinics. Janet also provided much needed health education to locals and will speak on that subject.

Last Meeting February 3, 2023

Erik Dybdahl returned to his presidential duties last week after an extended vacation to Australia (good on ya mate). He opened the meeting with Sam Bishop leading the members in God Bless America. Traci Bliss followed with the thought for the day from a book called Earth Keepers.

We had a visiting member from one of the Rotary Global E-Clubs. Jessie is a charter member of his club and lives in Santa Cruz. The club meets virtually and since its founding a couple years ago, the club has already participated in International Service projects.

The raffle gift was provided by Bryan Williams and the winner was Angelo DeBernardo. The gift was a 50/50 prize of \$200...won by "the banker".

Wendi Hammang provided her very first Detective Report and she did a great job. After the meeting I sat down with Wendi and asked a few questions about her first time as detective. She volunteered for the report out of a sense of obligation to be involved in the club, and felt good about the experience. Of course Wendi felt nervous and a little scared, however she prepared her report for about 3 hours, having chosen to concentrate on Rotary trivia. She must have done quite a bit of research because none of our members seemed to know the children of Rotary members are

referred to as "annets". Wendi also feels the challenge of speaking to the whole club also provided an opportunity for personal growth. Her advice to other first-time detectives is to take a chance and do a report. You don't have to be perfect and the club appreciates your efforts. Thanks again Wendi!

President Erik brought back gifts for the members who stepped up to lead meetings in his absence.

The speaker was Bonny Hawley from Friends of Santa Cruz State Parks. She gave a brief overview of the Friends and how they contract with the State to manage the local parks. She then presented a short video about the Castro Adobe in Larkin Valley. The adobe has an important history in our county and also for the State of California. There are very few remaining adobe sites and the Castro adobe is the only 2 story adobe remaining. The restoration of the adobe and the opening to public tours (by reservation) has been a decades long effort. The presentation and video

were interesting and Bonny was a very good speaker. She has dedicated nearly half her life to Friends of Santa Cruz State Parks and her dedication showed in her enthusiastic delivery.
