Cabrillo College Name Change

Dr. Matt Wetstein joined Cabrillo as President and Superintendent in 2018 bringing an extensive background in community college administration and award-winning teaching. Three years later efforts to rename the college began, joining a national trend of institutions and businesses scrutinizing the history of their namesakes. In 2022, the Trustees voted 6-1 to rename the College by August 2023, with the new name taking effect by July 1, 2024. Dr. Wetstein will provide an update on that process.

A Taste of Italy – Tickets on Sale!

Join us Saturday, May 20 for time in the vineyards, Italian music, delicious Italian cuisine and a live auction. Tickets are \$150/person (and the drinks are free!).

Last Meeting March 17, 2023

Mike Allard led us with inspiring words when it comes to being social. He shared: people with stronger social relationships had a 50% increased likelihood of survival over a given period of time than those with weaker connections. Those w/ a stronger network also had a 29% lower risk of heart disease, 32% lower risk of stroke and 47% lower risk of developing diabetes. In closing: “So while you’re all here to support the fight against polio,

purify water in Guatamala, etc., I am simply here for my health.” ;)

Congrats to **Gary Reece** for winning today’s raffle. The prize: St. Patrick’s Day party pack (Guinness, Jameson), plus gift certificates to Sugo Italian Pasta Bar and Mackenzies Chocolates. Thanks to **Sarah Madsen** for the raffle prize donation!

In addition, John Bargetto (the day’s speaker) added a second prize to the raffle - a bottle of wine. Winner: Mike Allard.

And the giving spirit continued when Mike Allard donated a pair of courtside Santa Cruz Warriors tickets to raise some funds. Ian Mackenzie donated \$200 for the prize, which ended up including a round of drinks from Angelo.

During announcements, a team of Harbor Interact students provided info on efforts raise funds for their Gravity Water goals. Donations by Rotarians for

the day would be matched. More than 20 Rotarians committed to a donation of \$100 in this effort!

The detective for the day was Mo Carrillo. I was asked to help with bucket duty - so here’s my best update: Happy dollars were donated by Gallaham, Larry, Shelli and Ashley. Jim Kelly shared a lovely Irish toast. The report titled “Luck of the Irish” involved a number of jokes shared with Rotarians and those sitting to the right receiving a fine. Participants included: Murph, Sam, Linda, Heather, Val and others.

John Bargetto shared info about the Bargetto Winery, now celebrating 90 years. The winery started in December 1933, just six months after the Great Depression was at its worst. John noted that the US wasn’t always a wine consuming nation, it wasn’t until 1967 that the consumption of table wines surpassed the consumption of dessert wines.

In 1976 American wines started growing in popularity thanks to the 1976 wine competition termed the “Judgment of Paris,” when California wine defeated French wine in a blind taste test. A movie telling this story was later created in 2008 called “Bottle Shock.”

Bargetto Winery is a 30K case winery that has been at it for quite some time. They love to feature the arts, live music

and events. The local community’s support has been important to the winery’s success. He then shared a proverb in Italian, which when translated means: “A barrel of wine creates more miracles than a church full of saints.”
