Status and Trends of Iconic Kelp Habitat in Monterey Bay

Lisa Wooninck (Ph.D.) became superintendent for the Monterey Bay National Marine Sanctuary in November 2021. She earned a Ph.D. in ecology and evolutionary biology from the University of California Santa Barbara and has been with NOAA for 20 years.

Programs - Heather Gorley

Invocation: Cristian Gonzales

Detective: Donna Maurillo

**Events:
A Taste of Italy**

The Taste of Italy was a grand success. The weather was fine and the venue was beautiful with beautiful tables set on the lawn.

Happy guests like Jim & Suzie Bargetto enjoyed the day and took part in the auction which was fun..

Angelo and his family hosted the party and served fine Italian food, gelato and free drinks. Brian and Jamey King from Mountains 2 Sea were guests at the event along with Jamey's parents. I won't go into detail on the event, I'm sure a report will be given at club.

District Social

In case you missed it (like a bunch of free throws), we had an area-wide social at the Kaiser Arena. It was a purely social and Tom Foolery sort of event.

Last Meeting May 12th, 2023

Our last meeting included the opening elements as usual. The raffle was a 50/50 with Tom Foster taking home the cash! The rest of the meeting was dedicated to the Scholarship program. We had 23 recipients, who each shared a few words of thanks to the club. The presentations were excellent and the young people, again, made the assembled club members and their families proud and hopeful for them individually and for the group as future leaders.

Announcements:

The board of directors has accepted with regrets the resignation of Jill Davis
