**Meeting:** Our meeting was exciting! We had some amazing people show up. Mostly the same amazing people we see every Friday. However, we got a visitor from a far off land known as Fiji. All you surfers, scuba people, and fishermen will want to be friends with our visiting Rotarian because Fiji is renowned for those activities as well as sitting in the sun sipping your favorite drink.

**Menu:** Next week expect a fiesta! We are going to have a Taco Bar or Homemade Enchiladas, a Fiesta Salad Bar, Flan, and Churros!

**Announcements and Events:** You should have received your mailed invitations to Duck Dynasty. This is our biggest and only fundraiser of the Rotary year. It's when we generate all the money for our

community giving. President-elect Sid Slatter hopes to break all records, so let's help him out.

The event is Saturday, April 23, starting at 6pm at Holy Cross Hall. We'll have dinner by Scopazzi's, wine, games, photo booth, auctions, and lots of fun. Come dressed to shoot ducks.

**Detective: Tom Foster** was our detective and he did a fine job. He announced that he would be gone for the next six weeks. That made us all very happy! Despite this infinite happiness we only had a few happy dollars. Here's a tip: next time one of our detectives announces he will be gone for a while, we should all pitch in happy bucks. Tom mostly reminisced about the good ole days. He wished he could turn back time when life was simple and you could just jump on a prop jet and get

flown around with the likes of Bob Davidson. FYI Bob will be offering his airplane chauffeuring service as an auction item at Duck Dynasty.

**Program:** Dr. Nanette Mickewiecz, CEO of Dominican Hospital, had to cancel as speaker for our last meeting. Thanks to Doug Erickson for pinch-hitting as our speaker at the last minute. (Literally, the last minute!) He told us about the New Tech Meetup in Santa Cruz, and he enlightened everyone about the amount of tech business conducted in Santa Cruz. Which is a lot! If you're interested in the meetup, go to [www.meetup.com/santacruznewtech](http://www.meetup.com/santacruznewtech)

The group pitches venture capitalists for funding, and it offers the chance for new businesses to present their ideas at their meetings on the first Wednesday of each month. Doug works with Nanigans, a small tech start-up.
