Todays Program

Martin Bernal - Manager, City of Santa Cruz

Martin was Assistant City Manager from 1997 to June, 2010 when he assumed the full responsibilities of City Manager. He is a graduate from the University of Texas, Austin - the LBJ School of Public Affairs. As City Manager Martin is responsible for the overall administration of the City and for seeing that City Council policies are carried out. The duties of the City Manager include coordinating the work of all City departments and advising the City Council on matters relative to the operation of those departments; preparing the annual budget and administering the budget after it is adopted by Council; appointing all department heads (except the City Clerk and the City Attorney) and serving as the final administrative authority on personnel matters. Martin will share his perspective on the State of the City.

Last Week’s Meeting

President Jim Weisenstein called the 8/14 meeting of the Rotary Club of Santa Cruz to order promptly at 12:30PM.

Colleen Harrison brought us together by sharing her favored serenity prayer.

Jan Derecho and Dan Aldrich lead us in the *Welcome Song* which never sounded better, literally.

Richard Beach won a fine raffle gift supplied by Tom Parker, a bottle of a local competitor's wine and a gift card to O'Neill's Surf Shop.

Jim Bargetto raised a few bucks for the charity fund by doing a little soul searching and fining those that had not taken him up on his offer for a 'friendly' lunch together over the years. Seriously, who wouldn't jump on that opportunity? BTW - Wes Walker is exempt for the month of August yet we haven't seen any shenanigans, hmmm? Jim called this Spokes editor out for writing an inflammatory letter to the Sentinel's editor re: the City's costly blunder. Well, at least \$5 good value came from it . . . I vented and feel so much better now :-)

It was good to see Nick Wyckoff - a "*seldom seen*" in these parts. Val Macken introduced her son again who's back in the community - getting ready to start teaching at Soquel High School - Congrats Val.

The program was fun, entertaining and informational as Eileen Hill and her fellow Derby Girls gave us an awe-inspiring introduction to modern roller derby. Modern roller derby dates to 2001 and is an internationally recognized sport in most of the civilized world. It is practiced on a flat track, not to be confused with its dramatized previous form where teams competed on a banked track. There was a discussion of the rules, scoring techniques + a demonstration using actual Rotarians. All in all, a welcome & lighthearted program and no Rotarians were harmed or injured in the exercising of this program. Anyone remember the Bay Bombers that used to play at the Cow Palace in the 60's?

The call went out . . .

The response was overwhelming . . .

The stalwart stood fast . . .

The resulting melee ensued . . .

~ don't miss Next Week's Program ~
a perpetual crowd pleasing favorite . . .
