## Foundation Month Update

John Huffman reports our club's progress on the Every Member Every Year Campaign:  
Goal - \$15,600 and 100% participation  
Pledges Made - \$16,000 +  
Pledges Paid - \$16,060  
Percentage toward Goal - 109.36%  
Percentage Participating 53.38%  
Average gift - \$128.27

Don't let the average fool you, any gift of any size is appreciated. It's the gesture that counts. So pull out \$10 if you can and let's try to hit 100%!

## From President Frank:

### Club News

The Board of Directors has approved \$3,750 to fund a clean drinking water program in support of people in the Philippines who are desperate for water after the recent storm. If you would like to add your own support, please take a look at <http://h2opendoors.org> where you will find link for your personal donation.

Each clean water station costs about \$30,000 and will provide clean water continually no matter how "unclean" the available water source may be. This is a great opportunity to support!

## Club Calendar

### December 11 - Board of Directors Meeting

Hosted by Soosan Rigi. Please contact Ian Mackenzie if you plan on attending because parking is limited and needs to be coordinated (stapled, spindled & folded)

**February 1 -Mystery Trip - See Wes Walker to join the committee. This is one of the best events the club does.**

### Last Week's Meeting

It's been 2 weeks since our last meeting. We enjoyed an exceptionally good meeting on the 22<sup>nd</sup>. Frank Minuti opened the meeting on time and Heather Stiles offered an invocation. Cynthia Kilian led us in the welcome song. The raffle gift was provided by Tom Foster who gathered a big basket of chocolates from some local chocolate maker...I can't recall the name (anyone, just shout it out).

Frank handed the mic to Jim zenner at 12:35 for a 5 minute talk and received it back at 12:51 (lesson learned perhaps?).

Donna Maurillo did a very clever detective report, displaying peoples' names in Japanese (or maybe Chinese) and then deciphering the

names and how they're pronounced. Each name also had a meaning, so you might be a lazy cow or a broken machine or a tight musician, the descriptions were very entertaining. My name was fast sloth.

The program was Kristen Olsen from Georgiana Bruce Kirby School. She was just awesome and I was very impressed with her command of language in general. She spoke about the evolution and roots of English language; which is a huge topic to cover. She hit all kinds of interesting points and packed a ton of information into her address. Personally I'd love to see her come back again. She spoke very fast and with a tremendous amount of energy. If you weren't there, you really missed it.

**Shouldn't this be 1 Larry and 2 Darryls?**

**Send the Editor your letters. I'll print them (sort of).**
