LAST WEEKS MEETING

There was good attendance to hear the program from the Santa Cruz Police Department. **Deputy Chief Steve Clark** made a good presentation comparing our community with those of similar populations and other factors. Santa Cruz is pretty much in the center of all the various categories. We have 94 officers serving our community rated at a 52,000 population. The department receives 102000 calls for service per year. The department has made 5015 arrests to date, issued 9249 citations, made 10750 reports. He predicts the department will ask for body cameras and a few more officers.

There was a good showing of former police officers in the audience. **Wally Walker** invited, former member, Stony Brook to hear the Deputy Chief’s presentation. I think these former officers enjoy getting together to trade stories and impress the viewers. We had a visitor from Watsonville, Michael Jones. Welcome Michael. Michael Harrison and Sam Bishop provided the welcome song music. These fellows do us a good service. Tom Foster gave us a very incisive invocation that was very well received. The winner of the weekly drawing, was **Dan**

Aldrich. Dan claims that he has hardly ever won a door prize. We all doubt that; but, congratulations Dan anyway. The prize was some wine and a gift certificate to a new restaurant; Mosiac. Thanks to Kim. You will note from the photo above, that Donna Maurillo finally received her Past Presidents badge. It proves that complaining does get results. Congratulations to Donna. You earned it. Please take note of the photo. The people in the

image worked very hard to create a Santa Cruz Rotary Clean Water Project. These people traveled down to Guatemala to procure, deliver, and install high tech water purification equipment to places that have never had that luxury. **Jim Ze-**

nner and his committee are to be congratulated. Good Job Jim.
