CASA of Santa Cruz

***“Without my Advocate, I would never have gone to college. I didn’t know where to go, or what to do. My Advocate helped me fill out my financial aid paperwork, choose classes, and showed me around the school.”***

These are the words of one of CASA's older youth, just one of over 200 children and youth who are assigned Court Appointed Special Advocates by the judge in the family court system every year. It is then CASA of Santa Cruz’s job to recruit and train Advocates to match up with this ever-growing number of children and youth who are in the foster care system because of neglect or abuse – and through no fault of their own. Come and hear a CASA staff member share these amazing stories of hope and resiliency, and the life-changing difference an Advocate can have in a child’s life. In the words of a CASA Advocate:  
***“I became an Advocate to give hope to these children who need it the most.”***

OUR SPEAKER

**Mary Kashmar**  
Development Director  
CASA of Santa Cruz County

Raised in Southern California, where she also raised her son and daughter and received her BA degree in English from Cal Poly, Pomona. Mary came to CASA with a commitment of ensuring children in the dependency care system receive the support and advocacy they deserve. As a fundraiser, Mary's main emphasis at CASA include major donor development; special events fundraising; annual appeals; increasing community awareness – and many more components that go into ensuring sustainable monetary resources for CASA in the years to come.

“Piano Player Needed”

Don Munro has provided our Club with music for the last few years. As you have no doubt noticed, Don is unable at this time to continue due to his hip fracture. Linda Burroughs has filled in, but cannot do so every week. We are looking for volunteers to provide music at our meeting. Please let us know if you have the ability to help out. Be it piano, guitar or spoons, let us know.

Frank

Rotary Night at the Santa Cruz Warriors.

Place your order no later than January 27<sup>th</sup> and you will receive a Santa Cruz Warrior/Rotary t-shirt. You can sign up at the next two meetings or simply email and we will bill you. We will need to know the number of tickets and a t-shirt size(s).

LAST WEEKS PROGRAM

Our speakers were Danettee Shoemaker and Mauro Garcia of Santa Cruz City Parks, Recreation and Cultural Services. They discussed the current state of Santa Cruz City Parks, including Arana Gulch and San Lorenzo Park. Hopefully, the Levee will be cleaned up and we can all have better access to the river for recreational activities.

ROTARY FOUNDATION

John Huffman reports that 64% of members have contributed to the Rotary Foundation this year. We have had 6 new Paul Harris Fellows and 20 Multiple Paul Harris Fellows. Year-to-date contributions totaled \$19,310.00.
