Todays Program

Dan Haifley – O’Neill Sea Odyssey

Dan has spoken here at our club in the past. He is the Executive Director of O’Neill Sea Odyssey, a post he’s held since 1999. Dan also writes for the Santa Cruz Sentinel and Mercury News. To be sure, Dan has dedicated his life to Santa Cruz and the Central Coast through all sorts of environmental organizations and through government service. He is a graduate of UCSC, a husband and father of two; so roots run deep here in Santa Cruz with the Haifley family. Welcome Dan!

Last Week’s Meeting

Last week I was greeted by Debbie McCarroll and she was delightful to see at the front table. As with Luis, Debbie checked me in expertly. Please make sure to say hi to both she and Luis when you come in. Still looking for a volunteer to help out with attendance, so let me know if you have an interest. I saw Colleen Harrison right away. She was all relaxed having plenty of time to attend Rotary and be retired.

Jim opened the meeting with the sad news of Lee Courtright’s passing. Lee was a long-time stalwart member who worked especially hard with academic scholarships for many years. He was a quiet yet very productive and valuable member of the club. Lee will be sorely missed. A memorial service will be held at Oakwood Memorial Crystal Chapel, 3301 Paul Sweet Rd. at 11:30 am on August 5<sup>th</sup>. Wally Dale offered the invocation in the Rotary spirit of following the four way test.

John Burroughs became winner #3 of the club drawing offered by Steve Karon. The gift was a bottle of champagne and a gift certificate to Ristorante Avanti. Heather is the chair for raffle, so please see her about contributing this year.

The detective was Steve Karon and he felt very good about his report. He declared his fondness for taking “stupid pills” and the resulting pratfalls produced by their consumption. He quizzed folks on songs and movies and generally got the crowd involved in

confessing their weaknesses; another awesome job.

The speaker for the meeting was Terry Corwin and she talked about the Santa Cruz Land Trust where she serves as the Executive Director. The land trust has gotten away from purchasing or otherwise acquiring land and holding it. They now partner with land owners to produce income, recreational space and conservation space. Their budget is 50% stewardship cost for the property they now administer. Terry recommended visiting Byrne Miller Forest and Antonelli’s Pond as two great places to recreate that are pet friendly.

We enjoyed a new pianist last week. Iverne Rand provided music as a guest of Michael Harrison.

Jim Closed the Meeting with the Quote “Kindness: the deaf can hear it and the blind can see it.”

**New Member Recruitment**

Please remember the first two meetings you host a new prospective member, the club will pay for your guest’s lunch (oooooh).

Make sure to sign up for invocations, we’re running a little low. See Dave Dreyfus.
