Be A Gift To The World

President - Jim Weisenstein **Editor - Galaham Zuanich**

April 1, 2016
Todays Program - Scott Berry

Joby Aviation
Joby Aviation is bringing a revolution to human transportation. Scott was born in Modesto, CA. He took his first plane ride at age two. Earned his pilot's license at age 17 in his father's Stearman bi-plane. He continued on to receive seaplane rating and instrument rating. He became president of the Interact Club during his senior year of high school.

Programs - Elizabeth Clifton
Invocation - Peter Cook **Detective - Tom Foster**

President's Message:
"Education is the most powerful weapon we can use to change the world" said **Jim Weisenstein** quoting Nelson Mandela.

Menu: Salads ~ Salad Bar and Garlic Bread Entrée ~ Chef's Lasagna Dessert ~ Pana Cotta

Invocation:
We bowed our heads as **Dan Aldrich** led us in prayer.

Announcements and Events:
Donna Maurillo had emergency surgery. She is getting better. Send her your thoughts and prayers.

Get your golf shoes polished because we are challenging the sunrise club in a game of golf. The game is scheduled

for June 3rd so get your foursome ready.

Raffle:
Angelo Debernardo won a bottle of Zinfandel which many feel is America's heritage grape. He also got a generous gift card to the Buttery. This bounty was brought to us by **Dan Aldrich**.

Detective:
Martin Bernal celebrated his day as detective celebrating 150 years of Santa Cruz history. He showed us pictures of old Santa Cruz buildings and geography. We saw the civic auditorium. It was built in 1939 and cost a mere 300k or, adjusted for inflation, a mere 2.8 million in today's dollars. The oldest building in Santa Cruz is part of a religious empire. Holy Cross was built in 1895. We saw a photo of the luxurious Casa Del Rey which in English means Casa of the Rey. It was

built in 1911 but sadly bulldozed in 1989. We saw an old photo of the water filled Bay Street reservoir from 1974. It was a time before our drought when people threw gallons of fresh water on inedible plants they called grass. Martin, ever the showman, knows that to draw the crowd you must show them something shiny. So he showed us many many many many shiny diamonds encrusted on two Championship rings: one from our own Santa Cruz Warriors basketball, the other from the Golden State Warriors of NBA basketball.

Program:
Today's program was our scholarship program. **Dan Aldrich** did a fantastic job of hosting the program. There were 18 students matched with a variety of scholarships. Dan navigated the variety of names and added additional information about the students. Such as, the university they were planning to attend as well as their major and the local high school they were graduating

from. The recipients' majors varied from bio chemistry to anesthesiology and from the arts to aerospace engineering. The hopeful's professional dreams included: Teacher, Doctor, Architect, Foreign Affairs, Photographer, Chef, and Forest Ranger. All the recipients shared a few words of gratitude and shared a bit about their journey ahead. We were all happy to see the next generation gets started as well as watch Dan end on time.
