Today's Program

Ricardo Sanfelice – Autonomous Systems and Applications

Professor Sanfelice conducts research related to modeling, stability, control, observer design and simulation of nonlinear and hybrid systems with applications to power systems, robotics, aerospace and biology.

I don't know what that means; however I know he has knowledge of drones and will help us understand their potential contributions to science and society in general.

Programs - Richard Beach

Invocation - Jeanette Pagliaro

Detective - John Burroughs

Last Week’s Meeting

Wow! big meeting last week, for sure. We had greeting and Aleene Althouse sold me yet another losing scrap of blue paper (what a rip-off!). Peter Cook won the raffle. I’m not too sore at that because he puts on great social events. I noticed Peter won an entire Italian dinner and a nice bottle of Chianti. We welcomed a new member, Traci Bliss who is the 3rd generation of Bliss family members to have joined our club. Traci’s grandfather joined our club in 1922. I think Sam Bishop was his sponsor.

We had really big news...Annie Asche has agreed to serve as President of our club for the 2017 – 2018 Rotary year! Congratulations Annie, you were elected by unanimous vote of the members, which is an awesome feat! Along for the ride with Annie will be Junior Directors: Donna Maurillo, Bob Davidson, Peter Dean and Hank Olsen. Linda Burroughs will Join the Board as a Senior Board Member.

So we had big news of a new member and a new President and that brings us to the really really big news: We have a new venue for our meetings! Yep, our **new venue beginning January 8, 2016 will be the Back Nine Bar & Grill** www.backninegrill.com . This is a major change for the club. We’ve been at the Elks Club for more or less 30 years and Jewel Street has been a great home for us. It’s time for a change and Jim has shown great leadership in getting us through the decision process. We had a committee working on this project that included Bob Bosso, Bob Ciapponi, Peter

Prindle, Colleen Harrison, Michael Harrison, Richard Beach, Tom Parker, Ian Mackenzie, Jim Weisenstein and Blaine Brokaw. Feel free to speak with any of the committee members if you’d like to find out more details.

It’s the old Pasatiempo Inn

Steve Davenport was the speaker last week and he told us all about the new buildings at the Coastal Campus and a really good history of the Long Marine Lab, Seymour Marine Discovery Center and the Younger Lagoon. Steve was a great speaker; a very fun meeting. Oh and Larry Fogelquist again fixed the projector as only he can.

Upcoming Programs		
Dark	Moore Foundation – Dennis Kelso	November 27
	Kevin Vogel – SCPD	December 4
	Cabrillo Music Program	December 11
		December 18
Dark		December 25

Closing Comments – 11/13/2015

As we express our gratitude, we must never forget that the highest appreciation is not to utter words, but to live by them.

At my table last week we debated whether Larry Fogelquist is a man, Rotarian, myth, legend, cult or possibly an entire religion. If Gary Reece is the Pope of Rotary, we decided Larry is the Patron Saint of Rotarians.
