## Announcements

### **Club BBQ – 10/19**

#### Save the Date

10/09 – Fall Rotary Social at Kaiser Permanente Arena (County Wide)

#### Last Week's Highlights

*Invocation:* Fred Gawlick said a few fine words... Maybe more importantly, Fred's Maryland Terps are in 1st place in the Big 10 East Conference and have a win over #18 Texas. They're playing #14 Michigan this weekend. Did you know Fred used to play football for Maryland!? Fear the Turtle!! And great job, Fred.

*Raffle Winner:* Angelo DeBernardo walked away with a bottle of wine and a gift card courtesy of Masi Bayless. Thanks Masi!

Dr. Dick Muir has been in the club **58 Years!** As a token of appreciation for Dr. Muir's service, he was presented with a bottle of wine and gift card.

*Detective:* Do you speak Italian? Well, if you don't, you were in luck because Donna was here to give you a lesson. Club members were asked to put their Italian to the test. Some efforts were better than others, but it was a poor showing from an otherwise good looking and respectable bunch. Tom Foster won the award for "Dude with the best Italian accent with the last name Foster". It cost him of course.

#### Last Week's Program – Vocational Scholarships

The club was very gracious in giving thousands of dollars away to several scholarship recipients in the ROP... errrrr... CTEP program as well as the music and

nursing programs out of Cabrillo. Everyone was very thankful to the club for its contributions. For many of these folks, CTEP is the road to a better life for themselves and their children. They're grateful for the scholarships and the extra opportunity the scholarships afford them to spend time with family or make ends meet.

It's rare that we get to hear from nursing students, but this year we had two come to speak with us. Randal Moore did an about-face on his academic career in religious studies to pursue nursing. He said his background gives him a unique perspective and helps his patients going through difficult times at their bedside.

Lilia Williams clearly has a passion for healthcare and a healthy lifestyle. We learned that an ounce of preventive medicine is worth a pound of treatment.
