Save the Dates

11/12 – Volunteers needed for planting flags at a local cemetery in honor of Veterans Day. See Janet Pagliaro for details.

12/3 – Annual Ugly Christmas Sweater Party. Details TBA. I think it's safe to put up the Christmas lights now that Halloween is over!

5/17-19/2019 – District Conference in Alameda at the USS Hornet Museum. Don't forget to mark your calendars!

Last Week's Highlights

Invocation: A very insightful three things were shared by Linda Burroughs. 1) Negative people have a problem for every solution, 2) Crazy people change the world, and 3) Everybody is normal until you get to know them. Who needs a psychologist when you can receive great advice at a Rotary meeting? This whole time I thought I was the only crazy person.

Raffle Winner: Have you ever purchased a 12 pack of beer only to find one was missing when you opened it when you got home? Or worse yet, a six pack and found that someone switched a few out with cheaper beer? That's what I was reminded of when Chris Murphy won the Yeti Cooler with a 12 pack provided by Jill Stone. I witnessed Chris convincing Bob Davidson to switch tickets because his ticket would be the winner. He was the winner alright! But since Chris is such a good guy he gave Bob a cut equal to one beer.

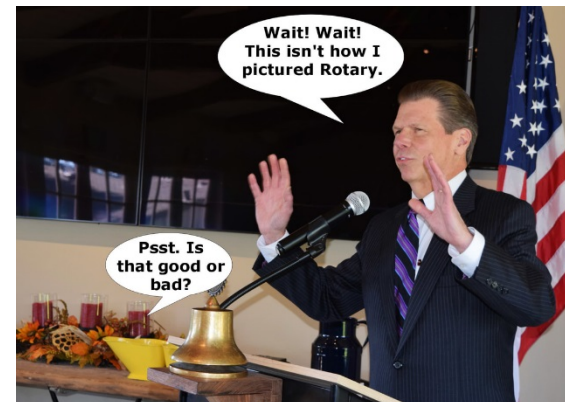

Misc: The Board of Directors have accepted, with regrets, the resignations of Ben Jonas and Heather Stiles.

Detective Report: Warriors and Niner fans were severely disappointed when they had to open up their wallets and pay fines for simply being fans. On second thought, Niner fans have been disappointed all year! We quickly moved on and Jim had a great report honoring past presidents and projects they supported during their presidency.

Last Week's Program: Joseph Heston of KSBW

President and GM of KSBW was present and provided us with great insight into how KSBW operates. Not to hit you with too many lists, but its worth sharing the five core principles that KSBW follows. 1) The necessity of the 4th estate, 2) Just because you're given the right, doesn't make it the right thing to do, 3) Leading edge, not bleeding edge, 4) To whom much is given, from him much is expected Luke 12:48, and 5) Don't try to be fast, do the things that make you fast.

Joseph kept his presentation brief in order to save plenty of time for questions. Many fellow Rotarians had great things to ask or comment on. I was waiting for someone to ask what they put in the water at KSBW because Joseph and Dan Green haven't aged a bit!
