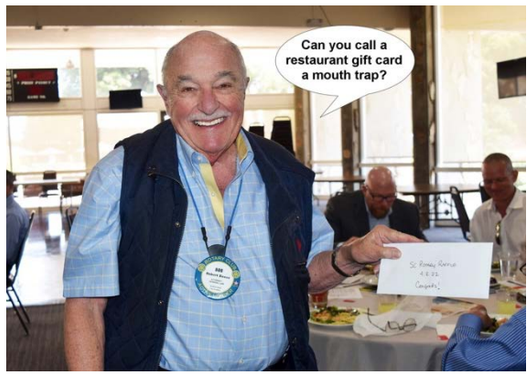
Last Meeting's Highlights:

Invocation: Larry Edler stepped in for the invocation with an inspirational quote on hand. Thanks, Larry, for making it happen without notice.



Raffle: Bob Bosso won the raffle and will enjoy a gift card to Venus Spirits Cocktails & Kitchen and 11th Hour (a Rotarian favorite). The prize was donated by Jill Stone, thank you Jill!

Detective: Surprise! The Detective Report was cancelled so that we could pay tribute to Wally Dale, a member for 43 years. Wally is moving to Idaho. We're all bummed about it, but happy for him. Highlights:

Marv Jensen gave a photo to Wally as a keepsake; Bob Bosso talked about how Wally was never afraid to make sure we're using the right words for the right thing… Tom Canfield truly appreciates all of Wally's experience for the B&G committee and gave him notes from when he was a detective for him; Erik Dybdahl donated $43 for 43 years; Tracy Bliss talked of Wally's role at Lipton and of working together – gave $50 for making Wally making Santa Cruz a better place for 50 years; Annie Asche noted that her company is moving him… maybe with enough funds we can divert the trucks and keep him here.☺ Ian gave a dedication – Wally is my sponsor, Was Sid's sponsor, club wouldn't be the same without you. Thank you. Tom Parker – talked about golf days, never got to play with him 43 for 43 years; Donna met Wally through toast masters… talked about a tour at Lipton where Wally had no problem stepping on a scale – full suit and all; Kevin Dempsey – expressed gratitude for help with the speech contest for a number of years. Larry Edler thought of a fond memory: seeing what he did we used to go to his office table as long as the bar – cup and a saucer every few feet.

Wally had a rebuttal: 43 years has been fast, great to have developed the friendships. Moving to Meridian Idaho – moving to a great place.

Last Meeting's Program – David McCormic, Asset Manager, City of Santa Cruz

David shared with us details about the Wharf Master Plan – the plant that will set the course for the wharf over the next 20-30 years.

Notes about the plan:
The old plan was from 1980 and needed to be updated, regulators required it. The plan will feature the vision, rules, goals guidelines, expansion of public access.

Its development involved 8+ stakeholder + focus group meetings; updates + hearings, etc.

How the Wharf could change:
increased sustainability and resiliency, expanded public access, creation of more business opportunities, development of more cultural and community opportunities.
