3rd Quarter Theme – Commitment to Community

Invocation: Traci Bliss

Detective: Wendi Hammang

Last Meeting January 27, 2023

Our meeting attendance last week included 48 members and their guests. Jim Zenner served as our President and opened as one would hope, on time. After singing America the Beautiful (just a guess) Annie Asche offered the thought for the day. There were several guests, Traci Bliss hosted 4 guests and Ashley Thompson and Fred Gawlick also introduced guests.

Members, Peter Huemer and Larry Wolfsen were in attendance which is always a win for the club. Traci's guest Tracy Weiss won the gift drawing. Ashley Thompson won the exempt drawing for February. Detectives, you have been warned.

Fred Gawlick shared his experience with the O'neill Sea Odyssey. The group also included Sharon Caiocca, Wendi Hammang and Ralph Miljanich

Wally Walker gave the club news about Wes being in an auto accident on Hwy 17. The pile-up included multiple vehicles. Wes is okay, however his truck didn't make it.

Donna Maurillo made an announcement about the Centennial Celebration books. They're available and you may see her to receive your copy.

Traci Bliss our 3rd quarter program chair served as the speaker for the meeting. Sarah Madsen took notes for the meeting and her description of Traci's presentation make me wish I'd been here to see it. I did take the time to view the YouTube video on the Evergreen Cemetery. The description of the visionary people buried there who helped make Santa Cruz what it is today, is just a fantastic story. From the establishment of the Sentinel newspaper in 1857 to today's support of cultural events right downtown, Santa Cruz remains a special place for all of us and the hub of visual arts, music, and performance art.

Rotary Magazine for February

This month's Rotary magazine has an excellent article on bicycles and how they provide needed transportation for children and young people going to school in rural areas. These are students traveling 6 to 10 miles each way to and from school. The time saved using the bicycle to commute means on-time and better attendance, completed homework, safer travel and the benefit of allowing parents to pursue their daily work opportunities.

Quote of the Week

“ I slept and dreamt that life was joy. I awoke and saw that life was service. I acted and behold, service was joy.”
- Tagore
