**TODAY'S PROGRAM**

**UCSC Earth & Plantary  
Sciences Department**

**Dr. Andrew Fisher**

Dr. Fisher researches Hydrogeology systems in the sea floor. I tried to get a sense of his team's research on his website; that was a mistake and now I suffer from general confusion.

**Programs - Janet Gluch**

**Invocation: Peter Prindle**

**Detective: Tom Foster**

The Benevolence & Grants committee is now part of the Rotary Community Fund. We have disposed of another name for the group, I won't write it out. The initials were SCRF. So now we have two entities for our local Rotary donations, the Santa Cruz Rotary Endowment and the Rotary Community Fund.

### **New Member Proposal**

Bob Bosso has proposed Kim Adamson for membership in our club (way to be proactive there big fella). If you would like to comment on Kim's proposal, please make contact with Ian Mackenzie. This is the 2<sup>nd</sup> publishing of Kim's proposed membership.

### **Club Calendar**

**November 20** - Board of Directors Meeting  
**February 1** - **Mystery Trip** – See Wes Walker to join the committee. This is one of the best events the club does.

### **Bud Rice Badge #1**

I suppose we all received the email from Ian about Bud's passing. He was the longest tenured member of our club at his passing. I'm proud to say Bud sponsored me for membership in 1988 and he sponsored many other members including one of our newest members, Elizabeth Clifton. He served as President of the club and was a great supporter of our club's activities as well as our local endowment. For those of us who knew Bud for a long time, he'll be sorely missed for his quick wit and loyal friendship.

### **Last Week's Meeting**

Frank was back and he ran the meeting with "mid-season precision". Elizabeth Clifton had four Rotaract members from UCSC as her guests and Bruce Dunn put the moves on for them. Blaine offered a thought for the day (lots of sweating on that one). Michael Harrison led the welcome song and Peter Dean won the raffle (again, that's 3 now). The raffle gift was provided by Janet Gluch. Janette Pagliaro gave a Sunshine Report and let us all know Phil Allegri is under the weather.

We learned from John Huffman that we have \$9,500 in DDF grant dollars available for this year. One project we will be supporting is a hospital project in Laos. We have Community Grant Funding as well and we also have Community service opportunities with our local Cowell Beach clean-up every Monday at 8:00 am.

Erik Dybdahl served as detective and he used a book on advice for boys as his source of reference. I'm not sure that book was a "best seller". Janet Krassow posed as the winner of the raffle and ultimately gave the gift (which was really won by Peter Dean) to Erik. That didn't seem to impress him and he continued to fine folks with reckless abandon.

Laurel Jones served as our program. She is the sixth President of Cabrillo College and introduced herself to the club with a visual production that included photos of her as a child, her family and her pets. She's an engaging speaker and she also happens to be a Rotarian. Several of our members inquired with her about joining our club.
