Today's Program

1989 Loma Prieta Earthquake

Presented by: Al Smith

Al Smith is no stranger to Rotarians for he happens to be Annie Ashe's life partner (main squeeze). We have enjoyed prior presentations of Al's on astronomy and see him at Rotary social functions. Al is well educated and well versed on everything seismic. He has a bachelor's degree from UC San Diego and a PHD from MIT.

Programs - Larry Fogelquist

Invocation: Jim Zenner

Detective: Bob Bosso

Message from President Donna:

Dear Rotarians,

Remember the shake, rattle, and roll from 25 years ago? Today, Dr. Al Smith, one of our

favorite speakers, will predict what the next Big One will be like. (Be afraid!)

Next week, we'll have Seun Oguntoye, Partners in Service international visitor. He is an accountant and president of his club in District 9125. I do hope you all show up and give him some Santa Cruz Rotary Hospitality. It's important that he returns to his home country with a great impression of who we are.

Cheers,
President Donna

Meeting:

Eric Dybdahl channeled Dr. Laura with a fiery invocation.

"Control unhealthy impulses for instant gratification!"

"Accept of yourself so you can EVOLVE!" (The attorney's at our table didn't think they could evolve any more, now they feel better) "Taking responsibility for yourself gives you the power to change." Eric you missed your calling!

Angelo DeBernardo gave yet another announcement for the October 24th Texas Holdem Tournament for Main Street Elementary School. (Angelo, put an additional \$20 in the pot for this plug). Wes Walker testified that Angelo, being the good guy he is, would buy cocktails (all night) for any Rotarian attendees. To use Wes's words, last year he "got hammered" and had a great time.

Jeanette Pagliaro plugged the Scott's Valley Open Studio featuring her husband, Tony, the photographer. No fine, what was imposed ... what is this organization coming to?

Jack Ritchie won the door prize that was donated by Karen Beeson. It was a nice bottle of wine and a gift certificate to a restaurant.

Happy Dollars (and tears of joy) flowed when Charlene Harrison announced she was carrying Larry Fogelquist's baby. New sonogram technology generated this photo of their soon to be born child, Larry Jr.

What do cows produce during an earthquake? Milkshakes ...

Our detective, Matt Shelton, provided the most spirited trivia program we have seen in recent memory!

The topic, wedding statistics, must have hit a soft spot with

Rotarians. The take away line that the men found most useful was "the cheaper the ring, the longer the marriage." In honor of his daughter's recent marriage, Matt donated happy dollars to the detective kitty. This resulted in a record breaking take of \$578. ATTA BOY, MATT!

Program:

LARRY! LARRY! LARRY! Still bathing in the glow of the admiration, Larry took the podium to introduce our

program.

Peter Beckman and Rosemary Menard did a short power point presentation on the sources and uses of water in our county.

It is interesting to note that 46% of all our water comes from the San Lorenzo River and that 37% of our water usage is for showers. There many good questions asked and the entire program was well received.
